Who are we ??

Embedded France is the
association of French
players in Embedded
Software and System

DGE
DIRECTION GÉNÉRALE
DES ENTREPRISES

Our missions

- Federate sectors
- Break down sectorial silos
- Develop international cooperation
- Ease hiring and training
- Communicate

Key event: *Assises de l'Embarqué*, and *Trophées de l'Embarqué* awards...

Les Assises de L'embarqué

Every year - in partnership with the Ministry of Economy and Finance (DGE) - Bercy.

Round tables of experts, keynote speakers...

... pitches / awards *Trophées de l'Embarqué*.

Key assets... our Working Groups...

Working Groups

- Software for Smart and Connected objects
- Regulation and standards – dependability and certification
- Embedded Artificial Intelligence
- Manycore
- Virtualization of digital platforms
- Engineering of safe and critical Embedded Systems

Always forward looking...

Where are we coming from..

- **Genesis: Reports to the Ministry D. Potier (2011-2013)**
 - gathering ecosystem
 - embedded becomes connected
 - target other industries (medical)
- **Intimacy with DGE (NFI, Filières, ...)**
- **Annual event at Bercy, since 2007.**
